## INCONTRO FORTUTO

## VICHNAHI

\* LA PAROLA "PIRATA"
SIGNIFICA IN QUESTA STORIA
"SACCHEGGIATORE DEL MARE"!
MA CI SONO TANTI TIPI DI PIRATI
A SECONDA DELL' EPOCA E DEI
LUOGHI...

\* VOGLIO RACCONTARVI DEI "VIKING"; CHE A ME PIACCIONO MOLTO ...

\* PIU` DI MILLE ANNI FA,
VISSERO IN SCANDINAVIA,
LE ATTUALI NORVEGIA,
SVEZIA, DANIMARCA.
SCATENAVANO VERI E
PROPRI ASSALTI ALLE
NAVI E VENIVANO CHIA MATI
"VIKING", PERCHE` LORO
USAVANO QUESTA PAROLA.
NON SO PERCHE` SI CHIAMASSERO COSI, QUESTO
BISOGNEREBBE CHIEDERLO A LORO, TORNANDO
INDIETRO DI MILLE ANNI...

## LA FUGA

CHI LI CAPISCE I PIRATI!

DEVO ORGANIZZARMI DA SOLA!

## ONE PIECE

BENE...
COSI` SONO
RWASTI CON
LE PIVE NEL
SACCO...

BRAVA...
NON NE
POTEVO
PIU:..

PER FARLO NON HO PRESO NE' LA MAPPA NE' IL TESO-RO...

SI... MA SONO UNA CRETINA...

GAB-BIA! BRAVO, MICIO! IL RA-GAZZINO MORIRA!

## VICHINGHI

SECONDA PARTE

ERANO TERRIBILI: DALLA BAIA ASSALTAVANO LE NAVI E LE CASE, UCCIDEVANO SENZA ESHARE PERFINO I RELIGIOSI, RUBAVANO I PREZIOSI, DAVANO FUOCO ALLE CASE E SE NE ANDAVANO. ERANO CATTIVISSIMI... DA NON CREDERE...

4

PERO' QUESTI PER
LORO ERANO LAVORI
FUORI CASA, INFATTI
POI PORTAVANO TUTTO
QUELLO CHE AVEVANO
PRESO AL LORO VILLAGGIO. ERANO GUERRIERI DI PROFESSIONE,
E VOLEVANO CONTINUARE A COMBATTERE
TUTTA LA VITA...

SI DICE CHE
VICHINGO SIGNIFICHI "PERSONA
CHE ASSALE LE
NAVI CARICHE DI
MERCI NELLA
BAIA"...

## IESOR!

PROTEG-GERE ...

### ONE PIECE

### CHE IMPRUDENZA!

中

## VICHINGHI

#### TERZA PARTE

QUANDO ERO PICCOLO, GUARDAVO SPESSO UN PROGRAMMA TV CHE SI CHIAMAVA "VICHI IL VICHINGO" ERANO LE AVVENTURE DI UN BAMBINO, VICHI, MOLTO INTELLIGENTE ANCHE SE NON MOLTO FORTE, E UNA BANDA DI VICHIGHI CHE ERANO TUTTI POCO INTELLIGENTI MA MOLTO FORTI. ERA UN VERO SPASSO.

MI RICORDO CHE ERANO COSI... MA E` UN CARTONE ANMATO DI PIU` DI QUINDICI ANNI FA, ALLORA TUTTA LA MIA GENERAZIONE LO CONOSCEVA. SE VI MBATTETE IN QUALCHE TV CHE LO TRASMETTE DI NUOVO GUARDATELO ASSOLUTAMENTE... FORSE QUESTA E` L'ORIGINE DELLA MIA AMMIRAZIONE PER I VICHINGHI...

## STATUS

volta di Slow Step su Starlight! Minatsu Nakazato è una studentessa del liceo Asaoka, e il suo fascino non tarda a far colpo su Shu, suo compagno di scuola, e... sul professor Yamazakural E come se la vita di Minatsu non fosse già sufficientemente

complicata, un giorno la ragazza assiste involontariamente a un pestaggio: per non avere ritorsioni da

parte dei teppisti, inizia così a nascondersi dietro una parrucca e degli enormi occhialoni, e con questo nuovo look attrae l'attenzione di Naoto, suo vicino di casa nonché
asso della squadra di box di un altro liceo.
Da qui, il gloco degli equivoci porta Shu e
Naoto a sfidarsi per la loro bella sul ring...

Per finire (ma ben aitre sorprese attendono l'okay dei nostri partner giapponesi) sveliamo una delle quattro proposte per libreria che produrremo sotto l'etichetta Orion. Si tratta di

Glass no Kamen, uno shojo che tutti i fan italiani conoscono come li grande

sogno di Maya. Il mondo dello spettacolo è alla base di questa serie di Suzue Miuchi, che vede come protagonista Maya Kitajima, una studentessa tredicenne. Il suo sogno di diventare attrice si realizza quando incontra casualmente Chigusa Tsukikage, un'artista del passato costretta al ritiro dalle scene a causa di un incidente, che decide di trasmetterle la propria esperienza. Maya inizia così una lenta, ma costante, scalata al successo, che la spesso in rivalità con Ayumi pone Himekawa, una figlia d'arte sua coetanea. La signora Tsukikage vede entrambe le ragazze come possibili candidate a un ruolo molto ambito, quello di protagonista di "La dea scarlatta", i cui diritti serba gelosamente. Anche Masumi Ayami, giovane direttore di una famosa casa di produzione, vuole portare in scena la stessa commedia e inizia a ostacolare la compagnia teatrale della signora Tsukikage.

Quello che vi aspetta è un autunno davvero tutto d'oro, che i Kappa boys hanno progettato per un pubblico davvero eterogeneo, scegliendo tra storie d'azione,

classici degli anni Ottanta e novità d'eccezione. Titoli questi
che vanno ad affiancare
recenti successi editoriali
come One Piece,
Kenshin, Rookies, I"s e
Inu-Yasha, e intramontabili best seller
come Dragon Ball e
Ranma 1/2.

Rimanete con noi, quindi... non ve ne pentirete!
